

CARE...without barriers

SERVICES AVAILABLE

TRANSLATION SERVICES

Place an ad in Chinese, post patient instructions in Spanish, have a multilingual website, or simply refer patients to us to have foreign language medical records translated—we can help you! With a team of medical translators, we can help you deliver consistent care across languages.

INTERPRETATION SERVICES

Plan a patient outreach night—and do it in Korean! We can provide medical interpreters in any language—for appointments, programs and training.

LANGUAGE TRAINING

Want to learn another language? Our programs are flexible and effective.

REMOVING THE LANGUAGE BARRIERS IN HEALTH CARE DELIVERY

Increasingly physicians and their staff are providing care to the diverse populations in the United States. Studies have shown that non-native English speakers are unable to receive the care they need on a consistent basis. The ability to provide care in multiple languages enhances a physician's ability to truly affect their community. »

aiatranslations is a leader in medical translation and interpretation. We also provide language training. Call us today for more information about the types of programs we can offer to your practice and to your patients.
