FINANCIAL

aiaTranslations LLC is a stable privately-held woman-owned firm with federal small business status.

LEADERSHIP**Molly Naughton, MBA, *Managing Director, President***

Molly received her undergraduate degree from the American University's School of International Service where she studied cross-cultural communication and Latin American economics and business. She received her Masters of Business Administration in International Management from Thunderbird: The Garvin School of International Management with a concentration in corporate strategy and international operations. She has lived in France, Spain and Costa Rica and traveled extensively throughout the world. With over 20 years of experience in pharmaceutical operations, Molly has developed a leading team of language professionals dedicated to life sciences language support services.

Sherry Dineen, *Patient Education & Communications*

Sherry is a seasoned medical writer with a nursing background. Her expertise is in assessments of cultural barriers to healthcare access and she is a valued contributor to our study support team.

Jerusha Lamptey, *Creative Director*

Jerusha Lamptey is an anthropologist and uses this background to adapt materials and designs to be not only culturally appropriate but highly impactful. She manages a team of 12 designers who work in their own languages to produce high quality designs. Jerusha's team is one of the few in the US that can typeset in highly difficult languages like Thai, Arabic, Hebrew, Hindi, Urdu, Kannada, and other Indian dialects.

CLIENTS

aiaTranslations has provided services for the majority of the largest pharmaceutical manufacturers in the world—including Merck, Pfizer and Johnson and Johnson. Our clients also include communications agencies, advertising firms, market research agencies, medical education publishers, CROs, trial sponsors and patient recruitment firms. References are available upon request.
